

**Welcome to Vertically Inclined's RandG Bulletin !**

What better way to kick off the Holiday season than with the finale of the **Rip and Grip Series!**

There was lots of cheer to go around as a whole stocking full of **Grippers** worked to unwrap the new problems from the routesetting elves. As always, the climbers all showed why they belong on the 'Good' list through their efforts and sportsmanship.

Todd, Tracey and the whole team of Routesetting Elves knew that December is go time and they rose to the challenge to put together another great sleigh full of problems for all the climbers to test themselves on. Thanks (and some milk and cookies) also go out to everyone who help make the night happen: Tracey, Arianne & Colby took care of the running of the event, DJ Allison put together the Soundtrack and the scoring was calculated by Zakk & Tracey.

Another big part of every event is the assistance and prizes from our amazing sponsors. The continued support of our sponsors says alot about their commitment to the Edmonton climbing community. Thanks for your support throughout the series!

The next **Rip and Grip Series** will run the first Friday of February & March plus the second Friday of April. Registration for the next series begins January 2, 2011.

We look forward to seeing you **Rip and Grip** in the New year!
