

Welcome to Vertically Inclined's **RandG Bulletin** for November 2006!

November's here already and with it the second installment of our Fall Rip & Grip Series. Round two saw another bout of awesome problems and hard climbing by everyone attending.

Thanks for your participation in the first two events and we're going to ramp it up as we move towards December. The series finale is always lots of fun and keyed up with excitement. It's great to see how everyone has improved over the course of the series.

A special note to thank Scott McGrath for helping voiceless Nigel with the running of the event. Hope you're feeling better soon Nigel!

If you have any thoughts, comments or would like to submit a photo, drop us a note at climbing@verticallyinclined.com We'd love to hear from you!
