

Welcome to Vertically Inclined's Rip and Grip Bulletin for December 2007!

Well, that's a wrap! The Fall 2007 **Rip and Grip** series is in the books after the finale in December. Another fabulous series culminated in a finale event with top-notch climbing and effort from participants as well as excellent problems to challenge them.

A big hand to Nigel, Scott and the host of VIRG Staff and Routesetters who have put in a ton of time and effort to make this series run smoothly and to create challenging and entertaining problems. Thanks to the whole routesetting crew.

Thank you again for participating in this go round of the **Rip and Grip** at Vertically Inclined. We know that this is an extremely busy time of year and we really appreciate your putting the **Rip and Grip** on your calendar.

Feedback forms were available at the comp and are attached to the Bulletin e-mail. We'd love to hear from you about how things are going and any areas you'd like to see modifications. You can drop the forms off anytime at VIRG or e-mail us a note at climbing@verticallyinclined.com We'd love to hear from you!

Thanks again for your enthusiastic participation in these events. From all the staff at Vertically Inclined, have a happy holiday season!

Event Wrapup - December 7th

As the apex of the series, December's event lived up to its billing. Another 30 problems gave all participants a chance to show off their stuff. Thanks to everyone for coming out and helping your fellow climbers with spotting and witnessing attempts. It's this sense of community that makes Rip & Grip special for everyone to be involved with.

Big shout out to our Sponsors; Teknik, Mountain Equipment Co-op and Track 'n Trail. Thanks to VIRG's own DJ Cael for the super playlist and for the excellent prize CD's. Hope to see you all out for the Winter '08 Series starting in February.
