

Welcome to Vertically Inclined's RandG Bulletin for March 2008!

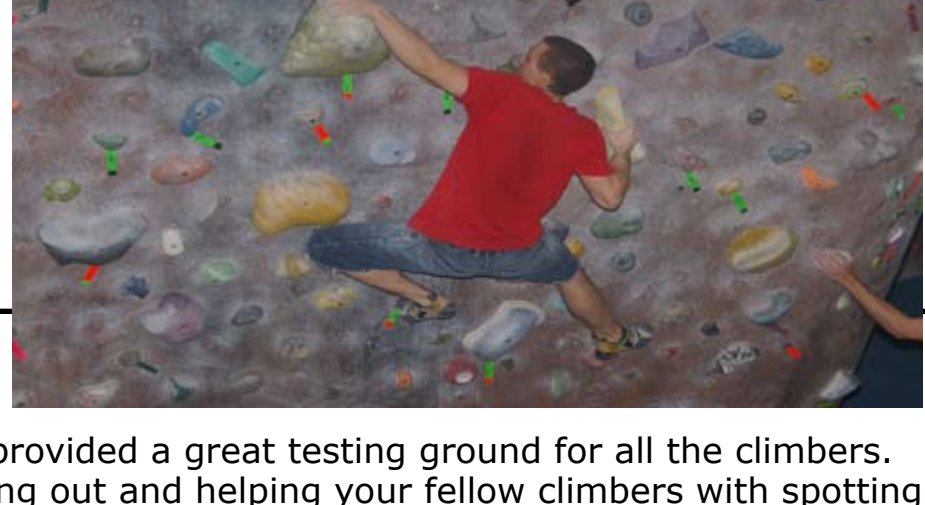

The start of the year seems to be flying by. It's hard to believe we've already had the second Rip & Grip of the season! The energy that goes with the prospect of warmer weather seems to have infected all of the Grippers with greater strength and tenacity than ever. Everyone attacked the 30 new problems and put up some great results. We can't wait to see what everyone achieves at the finale!

As always, the Rip & Grip setters and staff have succeeded in putting together an exciting and entertaining event. There were lots of comments and kudos to the routesetters on the variety of problems for this event that allowed climbers with a variety of strengths to excel at different problems. Great job team and we'll see more next month.

Feedback forms were available at the comp and are attached to the Bulletin e-mail. We'd love to hear from you about how things are going and any areas you'd like to see modifications. You can drop the forms off anytime at VIRG or e-mail us a note at climbing@verticallyinclined.com We'd love to hear from you!

Event Wrap-up - March 7th

The March Rip & Grip event provided a great testing ground for all the climbers. Thanks to everyone for coming out and helping your fellow climbers with spotting and witnessing attempts.

Big shout out to our Sponsors; Mountain Equipment Co-op and Track 'n Trail. Thanks to VIRG's own DJ Cael for the super playlist and for the excellent prize CD's. We'll see you all again at the next event on April 4th.
