Issue #15

Welcome to Vertically Inclined's **RandG Bulletin** for October 2008!

Another series of Rip & Grip Bouldering Competition events is off and climbing!

The start of a new series is always exciting with all new problems and everyone looking to see where they stack up. As with every event, we'd really like to thank all of you for coming out and helping each other with spotting, witnessing and lots of beta. We had a lots of climbers out this month which really builds the atmosphere and fun at these comps.

Tracey and Todd have taken over the reins of the series and have kept up the high level of quality. A big thanks to Nigel for all the time and energy he has put into running the comps for the last year. Feel free to talk with Tracey or Todd about the event or any questions you may have around the Rip & Grips.

The Routesetting Team have put together another great set of problems, so thanks to all of them. A few special notes; Devon put in a ton of work getting all the problems taped and numbered and Charlotte ran the Front Desk. Thanks guys!

If you have any feedback about the Rip & Grip event, you can drop in at VIRG or e-mail us a note at [climbing@verticallyinclined.com](mailto:climbing@verticallyinclined.com) We'd love to hear from you!
