

## Welcome to Vertically Inclined's **Rand G Bulletin** for February 2009!

The February Rip & Grip event kicks off another year of hard climbing and lots of fun as the first of two annual series gets underway. Just as you're finally used to writing 2009, we're back to new problems and lots of gripping!

Thanks for coming out to play at this first event of the Rip & Grip Series. It's great to see everyone helping each other with spotting, witnessing and lots of beta. This event was a great start to the series.

Tracey and Todd (TnT) have again put the building blocks in place for a series of excellent problems and fun-filled evenings.

And, as always, it is the routesettors' time and effort that gives us all the great problems to work on so thanks to the whole crew.

A reminder that the next event is Friday March 6th at 7:30pm. See you then!

If you have any feedback about the Rip & Grip event, you can drop in at VIRG or e-mail us a note at [climbing@verticallyinclined.com](mailto:climbing@verticallyinclined.com) We'd love to hear from you!
