

**Welcome to Vertically Inclined's *Rand G Bulletin* for April 2009!**

Well, that's a wrap for another season. Three exciting events with lots of great problems and even better sends. What better way to make it through the cold months and be ready for the Summer climbing season.

Thanks for coming out to play at the Rip & Grip. It's great to see everyone helping each other with spotting, witnessing and lots of beta. This event was a great finale to the series.

TnT did another great job putting the event and problems together. Thanks team!

And, as always, it is the routesetters' time and effort that gives us all the great problems to work on so thanks to the whole crew. Special thanks to Scott who put up a ton of problems and created the new Volume for everyone to play on.

The next event to look forward to is the Summer Burn comp which will be held in June. Keep an eye out for signs in the gym, updates at [www.verticallyinclined.com](http://www.verticallyinclined.com) and on the Vertically Inclined (VIRG) facebook group.

If you registered for the series and have not yet picked up your T-shirt, you can drop by the gym anytime and ask at the front desk.

If you have any feedback about the Rip & Grip event, you can drop in at VIRG or e-mail us a note at [climbing@verticallyinclined.com](mailto:climbing@verticallyinclined.com) We'd love to hear from you!
