SUMMER BURN COMP!

R&G Bulletin Special Edition

Welcome to a Special Edition of Vertically Inclined's R&G Bulletin!

For the second year, VIRG hosted a stand-alone summer comp - Summer Burn!

Held July 10th, the Summer Burn comp provided the competition fix to help climbers get through the summer ready for the full Rip & Grip Series in the fall.

Thanks to all those who came out to the Summer Burn. It's great to see everyone helping each other with spotting, witnessing and lots of beta.

Todd, Scott and the routesetting team at VIRG did a very nice job of putting together 30 new and challenging problems for everyone to test themselves on.

A big Thank-you goes out to the event sponsors. We had items from a number of new sponsors and it is great to have them involved with our events.

The next event to look forward to is the start of the Fall Rip & Grip Series. The first event will be on the first Friday in October. Keep an eye out for signs in the gym, updates at www.verticallyinclined.com and on the Vertically Inclined (VIRG) facebook group.

If you have any feedback about the Rip & Grip event, you can drop in at VIRG or e-mail us a note at climbing@verticallyinclined.com We'd love to hear from you!
