

Welcome to Vertically Inclined's **RandG Bulletin** !

The Summer Burn Comp at Vertically Inclined was another great climbing event and came with some true Summer weather!

Thank you very much to all the competitors who came out to Burn it Up! The enthusiasm, effort and sportsmanship shown by everyone made the event lots of fun for everyone involved.

The VIRG Jr Team put together a great BBQ and a number of raffles events. Thank you very much to everyone who supported our young climbers and got some great food and prizes in the process! They have had some great success this year both locally and on the national stage and your support is very valuable in helping them to achieve their competitive climbing goals.

Thanks to Todd, Tracey and the entire Routesetting Crew for all their hard work on all the fine competition routes. Tracey and the event staff including Todd, Anna & Arianne put together another great event and the Soundtrack was supplied by DJ Allison.

A huge thank you goes out to the sponsors whose support makes these events successful and adds another level of enjoyment for the competitors. Please let them know that you appreciate their being apart of the the **Summer Burn** and competition climbing at Vertically Inclined.

The next competition event at Vertically Inclined will be the **Fall Rip & Grip Series**. Look for details coming in August.
